4. Scary corner. At least 3m (10ft long). Build a scary corner with things you might find at the Olympics or in France! Have fun!! Corridor can be any width less than 2m (6ft). Lead your pony through safely.

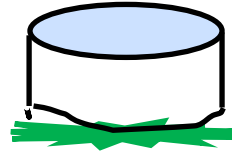

3. Pastry! Stand next to and facing your pony and eat a piece of croissant or similar. Don't let your pony join in.

9. Podium. Using a strong block of any size but large enough for the pony to stand front feet on, ask pony to step up onto the podium with his front feet and pose for 3 seconds before coming back down.

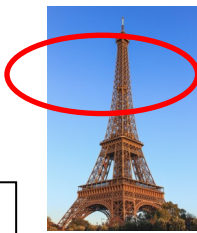

5. Gymnastics. Ask your pony to stand while you perform some gymnastics next to him (star jumps, hopping on the spot, whatever you fancy!)

6. Swimming. Make a pony friendly paddling pool. Ask your pony to wait while you step into the pool and splash about in it!

7. Now ask the pony to come into the pool, halt for a count of three and walk on out. You may stay in the pool with him or leave before he steps into the water.

8. Wheelbarrow Race. Position two flags on poles at least 5m (16ft) apart. Whilst leading your pony, push a wheelbarrow QUICKLY from one flag to the other as if you are in a race, keep the rope loose!

2. Eiffel Tower. Using a cone (or a model of the Eiffel Tower if you happen to have one!!). Stand 2 metres from cone and throw a hula hoop over the cone. You have 3 attempts to get the hoop over the "tower".

1. Basketball. While leading pony, dribble a ball in a basketball style a short distance.
