

Junior Class December 2024 Obstacles each marked out of 10

Hello! This is a course just for you, our Junior members, so that you can compete against other people of the same age. Read through the course carefully and build the obstacles as close as you can to the plan, you may need help for this. Keep yourself safe. You can ask someone to read out the course as you go round it with your pony so you don't need to remember which order to do it. Someone can walk along with you in case you need help as well. REMEMBER to keep a smile in that lead rope because a tight lead rope just looks grumpy! We want your pony to float along beside you not pulled like an old shopping trolley!

Oh yes and EVERYONE gets a rosette!!
